

**County Players Team Building Day
at
Stratton Village Hall , Dorchester
on**

Saturday 28th April 2018

Tea/coffee and sandwich lunch will be supplied
(Times to be confirmed)

All **eligible County Players are invited** (you must have entered at least one 2018 County Competition to play for the County Team)

A friend of mine , who has great experience in Performance Management and Team Building, has offered to help me organise a special Team Building Day for Bowls Dorset Ladies County Players.

The Ladies Committee Meeting thought this was too good an opportunity to miss. We would like all players who wish to play for the County in 2018 to attend if possible.

No Bowling and Free Refreshments!!!

We feel this will be an ideal day to meet and get to know each other in a fun, informative and hopefully rewarding way.

To help us plan the day and activities we need to know the following.
