

Ladies Amy Rose Bowl 2021 Season

From 18th July 2021

Dorset have entered the Amy Rose Bowl this year. The team is young and for some of the bowlers this is a step into the unknown. They are going into battle against a Somerset team with a wealth of experience. After several training sessions and a practice match against Dorset Ladies the team has been selected.

The match is at Ilminster Bowls Club on Sunday 18th July and starts at 10-00am. The winner of this match will play the winner of the Hampshire/Wiltshire match in the afternoon. We are sure all the county bowlers are fully behind the team and wish them good luck and the experience they will gain will be invaluable on their bowling journey.
